

COURSE REGISTRATION FORM
GEORGIA LAND DISTURBANCE/EROSION TRAINING & CERTIFICATION
AAA ENVIRONMENTAL SOLUTIONS, INC.

2865 Wood Park Trce NW, Kennesaw, GA 30152
Phone 404-275-8491, Office/Fax: 770-975-9219,
Email: GSofge@A3ES.COM or BSofge@A3ES.COM, Web: WWW.A3ES.COM

To register, please call 770-975-9219, online (A3ES.Com/Training), or submit this registration form by mail, or fax to 770-975-9219. We also provide group and multiple-student discounts, and will conduct training at your location for courses with sufficient students. Courses are interactive and include practical, cost-effective solutions for low-impact development, loss-liability prevention, and NEW Permit Requirements and Erosion Controls, along with examples and demonstrations. **All Certifications require renewal every 3 years, and rule Changes now allow recertification for expired Certifications.** Please circle the Course you would like to register for and print the date & location:

1. **Level IA Fundamentals (Blue Certification Card)**. This 1-day \$150 Course is required for developers, builders, site superintendents, monitoring consultants, and other persons involved in Land Disturbance activities. This class includes Training Manual, and a 1 hour open-book test. **Date/Location:** _____
2. **Level IB Advanced Fundamentals (Red Card)**. This 2-day \$250 course is required for regulatory enforcement inspectors, and includes Training Manual and open-book test. Prerequisites are 60 days of work experience in the field of erosion and sediment control, or IA (Blue Card) Certification. **Date/Location:** _____
3. **Level II Introduction to Design (Tan & Gray Cards)**. This 2-day \$350 course is required for design professionals and plan reviewers, and includes a manual and open-book test. Plan reviewers must have at least 6 months experience in the field of erosion/sediment control, or a Level IB Certification. Design professionals must be registered in Georgia as one of these: Architect, Engineer, Forrester, Geologist, Landscape Architect, Land Surveyor, or CPESC (Certified Professional in Erosion Control). **Date/Location:** _____
4. **Level IA Recertification: (Blue Card)**. This 4-hour \$90 Course provides recertification/renewal for those with Level IA Certifications. **Date/Location:** _____
5. **Level IB Recertification: (Red Card)**. This 4-hour \$90 class provides recertification/renewal for those with Level IB Certifications. **Date/Location:** _____
6. **Level II Recertification: (Tan & Gray Cards)**. This 4-hour \$90 Course provides recertification/renewal for those with Level II Certifications. **Date/Location:** _____
7. **Subcontractor Awareness, (White Card)**. This 2-hour Subcontractor Awareness seminar is required for individuals involved in land disturbing activities, and working in a subcontractor capacity. (The Subcontractor Awareness training/certification is unnecessary for those who hold IA Certification.) The cost of the class is \$75 and includes a Training Manual. **Date/Location:** _____
